

Pathology & Laboratory Medicine Research Day
Biomedical Research Building II/III, Gaulton Auditorium & Lobby
Wednesday, September 4th, 2019

- 8:30am – 9:00am Continental Breakfast & Sign-in
- 9:00am – 10:30am Speaker Session 1
- 9:00am **Sara Cherry, PhD**
Professor of Microbiology • Director, Program for Chemogenomic Discovery, Penn Center for Precision Medicine
Precision Oncology
- 9:15am **Edward B. Lee, MD, PhD**
Assistant Professor of Pathology & Laboratory Medicine
“Untangling a case of hereditary tauopathy”
- 9:30am **Paula M. Oliver, PhD**
Associate Professor of Pathology & Laboratory Medicine
“Regulating T cell function; a tale of two cullins”
- 9:45am **Liming Pei, PhD**
Associate Professor of Pathology & Laboratory Medicine
“Multi-omic single-cell analysis of heart development and disease”
- 10:00am **T. S. Karin Eisinger, PhD**
Ann B. Young Assistant Professor in Cancer Research
“Memory Stem T-Cell Development Is Suppressed By Collagen VI in the Tumor Microenvironment”
- 10:15am **Malay Haldar, MD, PhD**
Assistant Professor of Pathology & Laboratory Medicine
Cancer Immunology
- 10:30am – 11:00am Break
- 11:00am – 12:30pm Speaker Session 2
- 11:00am **Li-San Wang, PhD**
Associate Professor of Pathology & Laboratory Medicine • Co-Director Penn Neurodegeneration Genomics Center
“Genetics of Alzheimer's Disease”
- 11:15am **Beatriz M. Carreno, PhD**
Research Associate Professor of Pathology & Laboratory Medicine
“Dissecting Melanoma Neoantigen Immunity”
- 11:30am **R. Babak Faryabi, PhD**
Assistant Professor of Pathology & Laboratory Medicine • Assistant Professor of Cancer Biology
“Notch-instructed 3D cancer genomes”
- 11:45am **Youhai H. Chen, MD, PhD**
Professor of Pathology & Laboratory Medicine
“New Immune Checkpoints for Cancer Therapy: from c-Rel to TNFAIP8”
- 12:00pm **Vivianna M. Van Deerlin, MD, PhD**
Professor of Pathology & Laboratory Medicine
Topic TBA
- 12:15pm **Yongwon Choi, PhD**
Leonard Jarett Professor of Pathology & Laboratory Medicine
“Osteoclast differentiation and maturation”
- 12:30pm – 2:00pm Poster Presentations & Lunch
